Congrats to Ms. Shattuck's and Mrs. Robinson's students who exercised their "civic responsibilities" by completing community service projects over the 2017-2018 school year.

The students did litter clean-up, recycling, supporting pets, the sick, homeless, soldiers and senior citizens, they even helped around our school building. We are very proud of our students who showcased their compassion and kindness paying it forward. These are lessons that will carry on with them for years to come.
