Dear North Dearborn Elementary School Parent,

During these difficult financial times, we know that it is sometimes hard to provide adequate nutritious food for your growing family. We are fortunate that our school is able to provide healthy meals every day to your child. During the weekend we are trying to find a way to assist you and your child with learning the healthy eating habits that they practice through the school week.

The Clearinghouse Food Pantry will again make "Sacks of Snacks" available to children who would benefit from food supplements on the weekend during the school year. At the Clearinghouse, we use government standards regarding "best by" dates. Occasionally, dates will have passed, but items are perfectly fine. If you would like more details please let us know. If you object to receiving these items, please do not sign up. We take pride in providing items that are nutritious, but funds and supplies are limited. We want to serve those in need as best we can.

Please document any food allergies your child has so we can avoid using these items in your weekend food pack.

If you would like for your child to participate in this program, please fill out the attached form and have your child return it to Mrs. Christen. Snacks will be sent home on Friday. This will begin as soon as possible. The information on the form will remain confidential.

If you have any questions, please feel free to contact Nikki Christen, school counselor @ 812-576-1900 x 16914.
