COVID-19 INFO:

- We will adhere to all state and local protocols relating to COVID-19, which are subject to change. As of now, all spectators will be required to adhere to social distancing and wearing masks.
- Agree or disagree with masks and social distancing, but following these protocols allows for our kids to have the opportunity to play!

LEAGUE INFO:

- **Pre-Season Open Gym Opportunities: Sept 10th, 17th, 24th, Oct. 1st @ ECHS Fieldhouse (5pm-6:30pm)**
- We will do our best to evenly divide the teams (while keeping practice locations/travel distance in mind). Keep in mind, at this age, the skill level will be wide ranging so balancing teams can be difficult at times (based on location as well)!
- Due to COVID-19 concerns, we are not going to have our EC high school players coaching any youth teams this year. While this disappoints us and it has been such a great thing over the years, the risk of getting/spreading the virus outweighs the benefits.
- Near the conclusion of the Future Trojan League, we will hold a tryout to form select teams for each grade level that will compete in the very competitive and well organized IGHL (and other various tournaments). This is vital in the continued development of our Program to one of the winningest Programs in the state. Our goal is to have (2) teams per grade level so no player is ever cut.
