This program involves all students in the 1st and 2nd grades. We have spent weeks learning and preparing a very special performance for you to enjoy. We hope that all students will be able to participate in this. However, if you know that your child will not be able to participate in this event, please let Ms. Wilson know as soon as possible, as this will help us be better prepared and organized.

Please feel free to invite family and friends.
We look forward to seeing you there!
