

TROJANS

2020 Youth Football & Cheer

Build character, leadership, resilience, and teamwork

“What I learned from football enters my life every day. So, when you ask what a CEO does — drives performance, knows how to develop other people, and knows how to set standards. All three of those things I think in some way come back to what I learned when I was playing football.”

- Jeff Immelt, former CEO of General Electric; offensive tackle for Dartmouth College
