*Each week your participant will hear about a life principle taught from the Bible to prepare them for life. Upward Sports coaches focus on growing the whole athlete: mentally, athletically, spiritually and socially.*

Let players play, coaches coach, and officials officiate while you encourage through positive action and words!

- Your actions and reactions to what takes place on game day have a lasting impact on players and coaches, referees and other spectators.
- The circle of affirmation makes the experience better for everyone.
- The results are fun, sportsmanship, a competitive spirit and learning.
